

TRAC match – August 22, 2023 – Wayne Mauler, match director

Yes, Wayne is back! Here is his accounting of Tuesday's match.....

The morning started out very windy, the wind was 8 to 12 mph from the North, with gusts at times. By the time setup was completed and we were done with practice it had settled down to 3 to 5 mph. Skies were partly cloudy, at about 83 degrees, and was a nice morning under the canopy.

We had 11 shooters participating. Thanks to everyone that helped with the set up and cleanup. By the time we finished around 11:00, it was 92 degrees and time for burgers for a few that wanted to go.
